

In 1982, the U.S. Department of Education established the National Blue Ribbon Schools Program to recognize public and private schools with high or significantly improved achievement. I am proud that Conrady Junior High School, located in Hickory Hills, has been honored as an exceptional school.

The teachers and staff at Conrady Junior High take great care to focus on the needs of individual students, and this hard work is reflected in the school's academic performance. The school employs a unique curriculum with variable length math periods based on student need, and daily periods of exploratory and intervention classes.

This is not the first time Conrady Junior High has been honored for excellence in education. The school was designated as a National Title I Distinguished School in 2014, which recognizes success in educating students who come from families with low socioeconomic status. As Principal Andy Anderson often says, "Conrady is a hard place to work, but a great place to work."

The Positive Behavior Interventions and Supports (PBIS) program and the Academic Student Success Enrichment Teams (ASSETS) developed by teachers and administrators have also had a positive impact on student achievement. This success has resulted in visits by teachers and administrators from other schools seeking to learn about their curriculum, methodology, and technology integration.

Mr. Speaker, I ask my colleagues to join me in congratulating Conrady Junior High School for this impressive achievement and recognizing the teachers, administrators, students, parents, and community for the hard work that they have put in to earn this award.

Mr. HUDSON. Mr. Speaker, I rise today to honor the life and legacy of Staff Sergeant Dustin Wright, who was killed in action on Wednesday, October 4, 2017 while defending our nation as part of the 3rd Special Forces Group in Africa. SSG Wright was a true American hero and our thoughts and prayers go out to his friends and family as they mourn the loss of this great man.

Enlisting in the United States Army in July of 2012, SSG Wright's list of accomplishments runs long. After attending Special Forces Assessment and Selection program, he earned his Green Beret and was assigned to 2nd Battalion, 3rd Special Forces Group. He received numerous medals, including the Purple Heart and Meritorious Service Medal.

As a Special Forces Engineer Sergeant, he had undergone some of the most intense training our military has and emerged as a leader and role model. His selflessness allows us to enjoy the blessings of liberty that have persevered for well over 200 years. When his country needed him most, he stood ready to answer the call to serve our great nation.

Our country can never repay the debt we owe to SSG Wright. He was a model citizen and soldier whose legacy will live on forever. He will always be remembered and I will do everything in my power to honor his sacrifice.

RECOGNIZING THE CREW OF U.S.S.  
"INDIANAPOLIS" FOR THEIR  
COVERT OPERATION TO BRING  
OVER COMPONENTS OF THE  
"LITTLE BOY" ATOMIC BOMB TO  
TINIAN

**HON. DAVID P. ROE**

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 7, 2017*

Mr. ROE of Tennessee. Mr. Speaker, today I honor the nearly 1200 crew members who were aboard the U.S.S. *Indianapolis* when it was attacked by a Japanese submarine in the early morning of July 30, 1945. Among those sailors was Seaman Second Class James Smith, a resident of the First Congressional District now living in Blountville, Tennessee.

The "*Indy*" was returning from a secret trip to Tinian, carrying critical parts and the enriched uranium for the atomic bomb Little Boy, when it was struck by two torpedoes that caused massive damage to the hull. She sank after only 12 minutes. While approximately 900 of the crew members made it into the water after the attack, only a fraction of them survived the conditions in which they found themselves. Seaman Smith was one of just over 300 survivors, and had to survive for nearly four days in shark-infested waters relying on few food rations before being rescued.

As an Army veteran myself, I extend my most sincere gratitude and appreciation to James and his shipmates for their service, and offer my condolences to the families of the sailors lost at sea. With the wreckage having recently been located on August 19th of this year, it is yet another reminder of their incredible sacrifice, and gives us an opportunity to recognize them for taking on a mission that was so important to ending World War II.

I was proud to join Congressman BISHOP last week in introducing legislation that would authorize the Congressional Gold Medal to be awarded to the crew of the U.S.S. *Indianapolis* in recognition of their perseverance, their bravery and their service to our nation. I am forever grateful to the men and women who serve our great nation, especially to those who make the ultimate sacrifice in order to protect our freedom.

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 7, 2017*

Ms. KUSTER of New Hampshire. Mr. Speaker, I rise today to recognize Nancy and Gary Stewart, the owners of Sandwich Depot in my hometown of Concord, New Hampshire. Through hard work and dedication, Nancy and Gary, along with their employees, created a truly special place in our community.

Sandwich Depot opened for business over 28 years ago. In the time since, they have turned an inconspicuous building on the side of Hall Street into one of the best sandwich shops in the state. Over the years, a lot has changed in Concord, but one thing has remained the same: if you want a world-class breakfast or lunch, you can find it at the Sandwich Depot. Gary has an uncanny ability to remember customers' names, and his warm smile and humor make any visitor feel welcome. Nancy cooks and assembles sandwiches that leave everyone full and satisfied. The shop is covered in historic pictures of Concord and local antique signs, which add to the sense that the Depot is a uniquely Concord institution.

My family, friends, and staff—as well as everyone in the Concord community—will all miss the Sandwich Depot, but we are confident that Nancy and Gary will continue to make wonderful contributions to the Concord area in the years to come.

IN RECOGNITION OF GUNNERY  
SERGEANT THOMAS J. SUL-  
LIVAN, USMC

**HON. RICHARD E. NEAL**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 7, 2017*

Mr. NEAL. Mr. Speaker, I would like to take this opportunity to recognize and honor Gunnery Sergeant Thomas "Tommy" Sullivan of the United States Marine Corps. On Thursday July 16, 2015, a gunman attacked a Naval Reserve Center in Chattanooga, Tennessee. During that senseless act of violence, Gunnery Sergeant Sullivan made the ultimate sacrifice by giving his life to defend his fellow service members.

Tommy Sullivan was born and raised in Springfield, Massachusetts. He graduated from Cathedral High School in 1994, and became a Marine three years later. His friends and family all attest that Tommy was determined to serve his country since a young age. Over the course of nearly two decades in the military, Tommy survived two tours in Iraq, was awarded two Purple Hearts, and made a lasting impression on all those who served with him. Many have proudly said that he was everything that a Marine should be. He was a natural leader who always kept his composure, and who mentored less experi-

enced Marines. Those who served with him recall that after battles he always took the time to talk to everyone under his command, and was never afraid to crack a joke in order to ease the tension.

Tommy's bravery during the attack on that Chattanooga military installation in 2015 will forever be remembered. On that day, he helped more than a dozen of his fellow servicemen escape when a gunman opened fire. When he turned back to help two others, he unfortunately lost his life. For his valor, Tommy was posthumously awarded the Lieutenant J. Frank Murphy Medal of Valor—an annual award given by the Springfield Veterans' Activities Committee to a resident who risked their lives to save others. His family was also honored with Tommy's third Purple Heart which was awarded to him for his heroic actions.

Mr. Speaker, in closing, I would like to once again honor Gunnery Sergeant Thomas Sullivan for his courage and service to our country. He was loyal to his family, his friends, and the extraordinary individuals of the Marine Corps and all of our nation's Armed Forces. To Tommy's family, please know that the United States of America will never forget his heroism and sacrifice and we are eternally grateful.
